AUDITOR'S STATEMENT

ROGER F. ELLER
AUDITOR
Dear George and Sawina,

In your May issue you had an article on the retirement of J. Gerald and Juanita Fisher Eller. In the article you list their lineage all the way to Jacob Eller the immigrant. Is there any way to get more information on their line? I am especially interested in the Joseph Eller listed. If you do not have this information do you know where I can get it?

Also on your website many of the articles or links are under construction. Do you know when these will be available?

Thanks for all your help.
Carl Hoover
budterry@gte.net

PS: My line is Carl Hoover, Martha Mae Eller, Clarence Raymond Eller, Lawrence Reem Eller, Jacob Joseph Eller, Joseph Eller

Sawina,
In your e-mail you mentioned the Labor Day Reunion. When and where is that? I can't seem to get any info off the web page. How long will the page be under construction?

Carl Hoover, budterry@gte.net

Editor's Note:
There have been some problems getting some of the links on the web site established. We apologize for any inconvenience this may have caused. Please note that the address has changed to:
http://www.geocities.com/Heartland/Acres/2724

Thank you for your patience,
Sawina

Dear Sawina,

Glad to have your new E-address. Hope you like Virginia/Washington and your new work. Will you have any time to do research at the Lib. of Congress etc.?

We truly liked the work you and George did on your first issue of the Chronicles. You have given it the professional look that we were never able to do.

Thanks so much for your efforts.

Our Mission for The Eller Chronicles

In order to be as fair as possible, material is published in the order it is received unless prior arrangements were made with the submitter to schedule the material for a particular issue.

The Eller Family Association is an organization for all Eller descendants regardless of their ancestral immigrant line.

The Eller Family Association does not discriminate against any Eller descendant based on ancestry, religion, political view, education, or lifestyle.

Those submitting material to The Eller Chronicles are responsible for its accuracy.

The editor reserves the right to reformat and edit material submitted for publication.

The Eller Chronicles welcomes constructive feedback from readers.

The Chronicles will try to publish at least 30 pages per issue.

Finances for The Eller Chronicles are handled by The Eller Family Association and its officers.

Dear Gerald and Juanita,

Welcome to retirement again!

It was with great interest and a bit of sadness that I read in the last issue of The Eller Chronicles that you are retiring as editors.

All of the Eller relatives owe a great debt to you for all of your pioneer work. Without you there would be no Eller family Association and its Newsletter.

I am grateful to my brother Lowell for his work in the interest of the Virginia Ellers. He has often spoken of you and your fine work.

May the Good Lord bless you.

With kindest regards, I remain

Sincerely yours,
John C. Eller

Dear Gerald,

I was delighted to see The Eller Chronicles and most pleased to see that George and Sawina had appropriately places (sic) yours and Juanita's name on the front cover -- then continued the picturesque expose on your many accomplishments. Your service to the Eller Family is truly commendable, and greatly appreciated.

It was good to get to know more about your personal life, and to commemorate your many contributions not only to the Eller Family Association -- but to society as a whole.

Obviously, god has been good to you, and good to us -- by allowing you to lead out in the publication of the achievements, heartaches, and challenges of this pioneer family. God bless you for your efforts, and congratulations for a job well done. With you (sic) knowledge, and capabilities -- your insight and wisdom are needed in the organization.

Sincerely,
Devon N. Dahl

Dear George,

1. Going thru a batch of Fayette Co., IL books, made a discovery under probates:

Mar 18 1868, Mary A. Elam asks for guardianship of minor heirs of Henry Eller. They had $37.88 coming them from the estate of Joseph Eller, an uncle in OH. Edward Elam went her bond. Heirs were Wm. H. Eller, aged 19 on 27 Dec 1868, Jas W. Eller aged 16 on 16 Sept 1868, Mary E. Eller age 14 on 3 Apr 1868, Margaret A. Eller aged 13 on 11 Sep 1868, John C. Eller age 10? on 26 Dec 1868, Issae N. Eller aged 8 on 7 Jun 1867, and Sarah E. Eller age 6 on 29 Aug 1868. No other papers in the file.

Could this be of help to an Eller family? Not knowing the Ellers except what I have read so far in your articles I wouldn't know which one to attach this family to.

2. After I e-mailed you yesterday, the light bulb started blinking. I checked with the Feb issue of 98 and your George Michael Eller chart. Note, on the second generation down from George Michael Eller, to left of Jacob Eller, is Henry Eller who married Sally Jeffries, who had daughter Sarah Eller. Skip sister Sarah and you have Joseph. Is this the same Joseph who died in April 1864???

Note, that in the probate a mention of Sarah E. as 6, on 29 Aug 1868. Was this the same Sarah listed as a daughter to Henry and Sally Jeffries Eller??

Oh, Oh, fun we do have!!!

By the way I did enjoy your story of the trip from NC to OH. I had just finished reading the story of Daniel Boone going into Kentucky and everything you stated in your research jives. The Charles McKinney and John Sage families was (sic) two out of the couple hundred families that helped Daniel Boone pave their way to settlement of KY. Both of these families are part of my husbands lineage.

Sorry about this delayed message and thank you for printing the information in the next Chronicle. It may give you more help in your lineage.

3. Guess, I made a mistake - try again -

Have been working on this Eller family in IL, hoping to make a connection. I have films and a reader and found them in Seminary Twp. On the 1860 film have that:

Henry Eller and Mary A. both ae 30 both b OH children William ae 11 b OH, James ae 9 b OH, Nancy ae b OH, Margaret ae 5 b IL, John ae 2 b IL, Isaac ae 0/12 b IL.

On the 1870 census Henry and Mary A. probably deceased. William, James, Mary A., Margaret, John Isaac and Sarah ae 3 was living with Edward Elam and Mary A. William was working on farm along with John.

I find on your pg 27 of the Feb issue a marriage of Henry Eller to Mary A. Weddle 20 Feb 1848. This Henry and Mary along with date of marriage fits in with the 1860 census.

In Fayette Facts VIII, #4 1979 issue it states that Mr Elam sold his farm to Henry Eller and moved to Iowa in 1854. I checked Eller marriages in Fayette Co. and could find no connections between Elam and Eller. Probably just a good friendship? However, I will keep looking at other FF books.

I also have found in the FF marriage books, marriage dates of the Ellers. If you can find who this Henry Eller was a son to in your Eller line I can send you marriage information.

To whom it may concern:

Looking for information on Henry Eller born abt 1728 possibly in Germany. Married Elizabeth Bigler probably in Maryland. Sarah born abt 1772 in Frederick Co. MD and she died in Troy WV in 1833, was married to Adam Heckert. E-mail, please.

Gunderat@AOL.com
Sawina,

I am a descendant of David Crotser and Eve Eller Crotser. They lived in Fayette Country, Illinois after coming from Rowan County, North Carolina. I have been told that there is info on this family in the 2/1993, VII (1) issue of your families chronicle. I have been trying to determine David Crotser’s parents.

Would it be possible to buy this back issue, or copies of the pages? Please let me know if I can get this info and the cost involved.

I have a homepage with my basic Crotser genealogy chart on it, if you are interested. It can be found at www.fgi.net/~conure/index.htm

The Croters are under my mother’s side of the family. I have some land purchases, pics, census, etc. You are welcome to any of it. I just got a platt map which, I believe, shows where the original home of David and Eve is in Sharon Township. Hope to be putting it up on the page soon. We believe that Dave and Eve are buried there.

I have a feeling that I just got interested in the Eller family, too! There’s always room in the computer for more family. Thank you for your time and for having this page.

1. Looking for info. on parents of Joseph Eller b:ABT 1823 in MD., md: Margaret Garber and then moved to Richland Co. OH. I know of three children of Joseph they are Jacob Joseph Eller b: May 9, 1851, George Eller b: abt 1859, and Harvey Eller b: abt 1861. I have also found listings of the Eller and Garber families together in Frederick Co., MD. Any information on these families or any Eller from MD would be appreciated as well.

1 Jul 1998

On 21 June 1998, I answered a message posted on ELLER-l@ROOTSWEB.COM from GINNYA@prodigy.net (Ginny A. Averson) which said, "I am looking for others who are related to my grgrgrandfather Jacob Eller...b 09/05/1817 TN d 12/8/1886 Labette Co., KA, m Malinda E. Rush on 09/03/1849 Dandridge, Jefferson Co., TN. I immediately recognized this line of Ellers, because I have been searching to make contact with descendants of this line for the past 12 years.

I contacted Ginny by E-mail and we have had several exchanges. She and I are aware that her Jacob Eller (b 1817) very well may have been the son of the Jacob Eller who m Elizabeth Winterbower in Jefferson Co., TN (1809). The latter Jacob Eller may also have been the Jacob Eller Jr. of my line, who married Mary Biffle, but this marriage ended in 1806 and Jacob disappeared. Many have searched for him for years without success.

Ginny submitted the attached DESCENDANT CHART OF JACOB ELLER. She has shown the father of her Jacob Eller, b 1817, as (Unknown) but of course she is aware that this unknown father very well may be the Jacob Eller who married Elizabeth Winterbower (1809), and also may have been the long lost Jacob Eller Jr. who first married Mary Biffle. She also submitted the attached ANCESTORS OF JUNE AILSA ELLER (her mother). Her address: Virginia A. Arveson, 6902-168th SW, Lynwood, WA 98037.

Ginny also send a copy of "My Eller Family" written in 1994 by her uncle, Robert C. Eller. This 92 page book is a well written mixture of genealogy, family history, and pictures of several descendants of this Eller line. Robert C. Eller is now 83 years of age having retired from the U.S. Geologic Survey after a very successful career during which he rose to high levels of responsibilities. In 1942 he was assigned to the Trimetrogon Section which produced aeronautical charts from aerial photographs obtained by the U.S. Air Corps of selected strategic areas all over the world. Bob served as Assistant Editor of the quarterly journal, Surveying and Mapping, of the American Congress on Surveying and Mapping. In 1956; he was chosen to be part of a 3-man team assigned the task of investigating ways in which mapping operations could be automated by application of computer technology. In 1962, Bob was transferred to head the Division's Technical Information Office and from 1962 to 1966 he was Associate Editor of the Third Edition of the 2-Volume Manual of Photogrammetry, published by the American Society of Photogrammetry. He retired from the Geological Survey in 1975 and returned to his previous home area where he lives at 3016 N. Maple, Spokane, WA 99206.

I have written to Bob and requested his permission to publish his book in future issues of the Eller Chronicles. In the meantime, we are sending the copy of his book to you, so that you can begin to make plans for its publication. provided permission is given. Bob is an excellent writer and has produced a most interested and well-organized family history. The pictures are excellent, and I think I see in them resemblances of other Ellers of the Jacob Eller/Mary Biffle line, but this may be only wistful thinking, because I have this deep feeling that the two lines were linked when Jacob Eller Jr. took Elizabeth Winterbower for his second wife. I have always intended to go to Jefferson Co., TN to investigate this matter, and these new contacts have rekindled my interest in digging deeper.

I will keep you informed.

This is the first of a two part series from the genealogy of Robert Wyant, a descendant of Jacob Eller, the immigrant. Part II should appear in the next issue of The Eller Chronicles in November 1998.

Eve Eller was born in 1775 in Rowan County, North Carolina. She was the youngest daughter of Jacob Eller, the immigrant. On 2 June 1795 she was married to David Crotser. The couple had eight children, all born in Rowan County. The family left North Carolina circa 1825 for Fayette County, Illinois. It was in Illinois that many of their descendants were born, including Robert Wyant, the co-author of this genealogy.

1 David and Eve Crotser left Rowan Co, NC circa 1825 for Fayette Co, IL. with their children. David could have died along the way or in Fayette Co, prior to the 1835 State Census. Eve Eller, his wife was on that 1835 Census. I found the family on the 1790 thru 1820 Rowan County Census and V-122 #0004 Fayette Co State Census. The marriage papers of David and Eve 2 Jun 1795 from Rowan are on hand. Mary Anderson found the family information on Phillip Crotser in Salt Lake.

2 Jacob Crotser never married, listed on the 1860 Fayette Co. Census along with two children, Daniel and Mariah Crotser, who are children of Daniel and Nancy Owens. Daniel and Nancy was not on the 1860 census and may have died prior to 1860 leaving Jacob as care giver.

3 The 1790-1820 Rowan County Census list female and male count of children listed under David and Eve Eller. As these census go they reflect ages of children who are later found in other census and I have place these children in order of birth I believe is correct, which leave two as twins and two named Daniel.

4 David b as late as 1782.

5 Not sure that Robert and Mary are children of Daniel and Mary Owens.
