Message from the President

It sure has been cold in North Georgia the past few weeks. Betty and I spent Thanksgiving with our children and grandchildren in California and had cool weather and rain while we were there.

It is time for us to start thinking about our bi-annual EFA Conference next July in Chattanooga. I ask everyone to please make your reservations early so I can start a list of all who will be joining us. I also need anyone who would like to speak on your family line or just anything you would like to share please e-mail me as I would like to have our complete schedule in the February Chronicles.

This year we have lost some of our members, family and friends. In November our Editor Randy Poplin's father passed away. Let's remember all the loved ones that will be missing in families this Christmas season.

On a lighter note... on Tuesday night I play in a bridge club. This past Tuesday was our Christmas dinner and we had twenty- two people for our get together. All of these players are senior citizens. My partner was a lady who is 90 years old and we won first place. So you see there is hope for all senior citizens.

Merry Christmas to all and I hope you have a Happy New Year!

Ed

...from the desk of the Secretary/Treasurer

I can't believe we are almost to the end of 2010. It is soon time for the 2011 EFA Conference in Chattanooga, TN. I am looking forward to July and seeing everyone again.

Here's wishing everyone has a Blessed Christmas and a prosperous and very Happy New Year.

REMINDER:

I still need recipes for the EFA Cookbook. Please email or mail me your favorite recipes so we can get the book together in time for the 2011 EFA Conference.

A Note from the Editor...

Hello everyone...hope you are doing well! I can't believe another year has come and gone, but I guess we can't slow down time!

2010 has been a quite eventful year around our home. Tammy has been working on her Educational Specialist Degree to be completed in the Spring of 2011, while maintaining her teaching position at three different schools this year. Molly has been involved in her Middle School Band activities, as well as enjoying her acting talents in several local theater productions. Emily succeeded in qualifying for the Georgia All-State Band in February...so we enjoyed a week in Savannah, GA for the performances! Oh...and Emily also attained her Driving Learner's Permit last month...so we have enjoyed being chauffeured around Dalton! I have just completed my 24th year at Dalton Utilities as the Accounting Manager. I also continue to stay active as a Deacon at First Baptist Church of Dalton, as well as staying very involved in the music ministry.

However, our year is ending on a sad note...My Dad passed away in November due to heart issues. He had struggled with his health for numerous years and had even recently had a quadruple heart bypass in October. He was an avid genealogy researcher and had so enjoyed getting to meet his distant family members through his research. I'm hoping at some point to have time to pick up where he left off with his research. I think I moved about 8 boxes of research material to my basement after his passing. I guess I enjoy my responsibilities as the Eller Chronicles Editor because I can appreciate our family heritage and ancestor connections by seeing the enjoyment and satisfaction experienced by my Dad.

Wishing each and everyone an enjoyable Holiday Season...and a Healthy and Happy New Year!

Randy Poplin

ELLER FAMILY ASSOCIATION
Minutes of the Board of Directors Meeting
October 17, 2010

The Board of Directors of the Eller Family Association met via telephone conference at 9:00 PM, Eastern Time, October 17, 2010. The following members of the board were present: Ed Eller, President, Directors Joe R. Eller, Nancy Eller, Lois Hardy, Harvey Powers, Tom Eller, Chronicles Editor Randy Poplin, and Secretary/Treasurer Karen Pelzman. Not present was Vice President Fred Bame.

The President welcomed all and asked if there was any new business.

Tom Eller reported a new DNA test is now available that can be tested on a male or female family member and goes back to approximately 6 generations. The test is available through Family Finder and costs \$289. If interested, please contact Tom Eller for further information. Tom also stated how much Dean Eller is appreciated for the invaluable research she has done over the years.

Harvey Powers reported 111 members received copies of the last Chronicles issue. We now have 35 members receiving the Chronicles by e-mail. There is “junk” on the EFA message board. Karen was asked to contact our provider, Earthlink, to see what has to be done to remove it.

The planning for the 2011 EFA Conference is almost finished and Ed will have info in the Chronicles as soon as the details are finalized.

Randy asked for any information be submitted for the November Chronicles.

The next board meeting is scheduled for Sunday, January 9, 2011 at 9:00 PM EST.

Ed thanked everyone for being present. Having no more business to discuss the meeting adjourned at 9:44 PM.

Respectfully Submitted,

Karen Pelzman
Secretary/Treasurer

Subject: Eller Inquiry

Mr. Eller-

Of the earliest settlers in the New World, what religion was this family...especially John J Eller, his parents, and his wife...

Thank you,

Barry

Good afternoon Barry...

During the 17th century and early 18th century it was common for northern and central Europe followers of Martin Luther to come to America and become involved in the early American Lutheran churches. John Jacob Eller is believed to have been married in a Lutheran church in a suburb of Philadelphia not long after arriving in America in the 1730's. There is information I believe in the book by J. Gerald Eller, Ed Eller and Nancy Eller Porter called John Jacob Eller and his Descendents (available through the Eller Family Association... www.eller.org).

But some of his children, brothers and his cousin George Michael Eller may have been involved in early German Dunkard Churches, especially since they were the most popular among Germans in the south. The people there spoke German and were very Biblical, coming from the European Anabaptist movement. These churches eventually became known as Baptist, Brethren and in Pennsylvania known as Mennonite churches (as well as other names). Anabaptist churches believed and still do believe that the Bible is the single source of authority, priesthood of the believer, are self-governing and believe in the Biblical example of baptism via immersion after the salvation experience.

As an ordained Baptist minister myself, I have found that many Eller's were ministers and many others held leadership roles in the early days of the Southern Baptist churches in the Piedmont and Foot-Hills areas of North Carolina. The Baptist Associations in the Salisbury, Winston-Salem, Statesville, Wilkesboro, Mt. Airy, Boone, Lenoir, Hickory and Asheville areas are full of interesting minutes of meetings where Eller's and their family members held leadership roles. Many descendents are still very involved in those same churches.

To get this email into our regular publication, The Eller Chronicles, I am forwarding it to the editor and other Eller Family Association members.

Thanks for your inquiry,

Ben Eller

A REQUEST FROM GLORIA ELLISON...

In September, I received a call from Pauline Eller Hicks stating we shared the same grandfather, Joe Milton Eller. She had obtained our telephone number from the Eller website through her cousin, Margaret Eller, now living in Comer, Ga. who is the daughter of the late Ben Eller (died in 1984). They never knew that happened to Joe Milton after he left her grandmother, Alice and 2 sons Paul and Ben. We talked several times and I decided to visit Madison, Ga and check this out. In the meantime, as I was getting some pictures together of Joe Milton Eller (Ellison)'s children by Delia Fricks' and discovered a copy of a 1920 census showing Esko Eller, Sr. as the son of J. M and Alice Eller. To me, this validated that Alice was the step-mother that daddy (Esko) remembered as being kind. This document was included in some pictures given to my younger brother, Esko, Jr. at the time of my mother's death. I had never been shown this document. I am happy to have accidentally found it. On October 9, we met with Pauline in Madison and met her daughter, Amy who is a beautician. Pauline is a very pleasant person. Her father is Paul, the step-brother of my father, Esko, Sr. My daddy had always mentioned Paul. She gave us some pictures of Paul, her grandmother, Mary Alice, Ben, her sister Nell and brother Henry Thomas Eller, born March 18, 1947. Thomas is living at the Oconee Assisted Living Home , Buckhead, GA. He was so overjoyed to see a picture of his grandfather, Joe Milton Eller and meet his kinfolks. Nell was unable to come. We hope to contact Margaret and visit her in Comer in the near future.

Pauline said her grandmother, Alice, had always waited for Joe Milton to return. Someone notified her when Joe Milton died and shortly after, she had a stroke and died. Joe Milton was remembered around there as being a kind man. I assured them that was not the case when he came to Emanuel County.

We invited her to join the Eller Association. The day went fast but I do plan to get some dates and other information for the Eller records. We are cautious and will be sure info is documented fact.

I am attaching the below pictures I scanned. If you have any problems with them, please contact me.

Regards,

Gene and Gloria Ellison

A REUEST FROM THOMAS ELLER...

Paul:

Most of the Ellers in the US trace their lineage to five or six Eller brothers or cousins who came to the US in the mid 1700s. Some of the same family from Germany came to the US in the mid-1800s. Nearly all of them came into Philadelphia or Baltimore, later moving to North Carolina, Iowa, California, etc. Ellers from Germany also went to Balzano, Italy, and to Brazil. There are Ellers in Estonia, but their ancestors came from Sweden about 300 years ago.

My Y-DNA shows a possible kinship to Ian Cakebread of the UK, but we have not been able to trace any connection through conventional genealogy.

We normally ask our Eller Family Association members to take a 67-marker Y-DNA test tracing males only (available through links on our DNA project under Eller.org. Recently we have had one person take a new test, an autosomal DNA test called Family Finder on the FTDNA site. That test will identify male or femals relationships to 5 or 6 generations.

We would be pleased to have you take DNA tests as part of our project to see if there is a traceable connection.

If you want to do it, please let me know and I'll walk you through the steps.

Thanks for checking in with me.

Tom

Hi,

My name is Paul Ella and I am from Lincolnshire in England and have been living and working in the US for the past 8 years. I stumbles upon your site while doing some research on my family tree and wondered if our names were somehow connected. Eller and Ella – not much of a leap considering that most names were originally recorded phonetically.

Any thought or insights would be greatly appreciated.

Many thanks
